Product Feature

If you crave an upgrade or raise in furniture pieces, Plastic Cabinet Sofa Foot Legs Bed Feet are a perfect option. The furniture legs at resonable price give a fresh look to your house in daily life while respecting your budget. These square tapered sofa legs are made of high-strength ABS Plastic, which are strong enough to support heavy sectional sofas, couch, armchairs,otomans,TV tables and night stands. The sofa leg is attached to the furniture item with a hanger bolt, and simply turned to the right to install and to the left to remove. High-Density Polyethylene is an extremely tough plastic that has high rigidity, good impact resistance, and high tensile strength. These qualities make its application as a furniture leg very advantageous. Styling and sizing your furniture can be a fun and rewarding experience. Choose an exact sofa leg to make your home look and feel just how you like. Our team handles the designing, scaling, modifying, and machining so you can just pick your favorite parts, customize if needed, and assemble in little time. Contact us for free samples.
